Team Building Destination: Mossel Bay and The Point Hotel have it all!

Tired of the rat race, staff morale low - escape the city and bring your staff to Mossel Bay for an energizing team-building weekend you won't forget! With the introduction of Mossel Bay as a two night destination on everyone's travel itinerary, The Point Hotel and Mossel Bay has enjoyed the distinction of being identified as the perfect location for workshops and team-building weekends by companies.

We believe the success of the launch of this new product is partly due to the perfect location of the luxury hotel - an eco friendly, low density area, together with the vast number of activities available within Mossel Bay and its surrounds.

The Point Hotel is a 52 bedroom hotel located on the rocks below the St Blaize Lighthouse - which heralds the start of the St Blaize Hike - a 15km walking trail running along the cliff to Dana Bay. Start your morning with yoga on the beach located next to the natural tidal pool, follow up with a bracing sea water swim or a jog or speed walk around the 5km Point circular route. Dive with the sharks at the Aquarium located below Big Blu, pick up some curios at the small shop and for the surf enthusiasts - you have world-renowned Inner and Outer Pool on your doorstep.

The Point Hotel offers an integrated package to companies with accommodation and meals included. Our chef is happy to oblige with options such as a Snoek Braai or a Spitbraai - which meals can be offered at The Point Hotel or at Mossel Bay's Yacht Club premises.
