Mossel Bay has Enough Water

The Municipality of Mossel Bay has recently confirmed that the bold proactive steps taken to secure our water supply during the current drought, has ensured that there will be enough water to serve the needs of its citizens, its local and international visitors, and its business community.

The reduced consumption by the local community has been as a direct result of a strong awareness campaign for water conservation, as well as, effective water restrictions that have been put in place. Mossel Bay Tourism confirms that there will be no adverse affects on the tourism industry - everyone can shower as usual, and the laundries are operating normally.

The town has sufficient water from its various dams and new boreholes to last until after the new municipal desalination plant - the largest in South Africa - comes into full operation early in 2011.

Mossel Bay Tourism has acknowledged the importance of the December-January holiday season and is satisfied with the Municipality's assurances that all visitors would, as always, be more than welcome.

Mossel Bay's water supply can cope with the expected influx - and everyone's efforts will ensure that our water situation will have no effect on anyone's holidays, or on any tours or packages to our region of the Garden Route.

Tis the Season to be Jolly!

The Point Hotel Management and Staff would like to take this opportunity to wish all those involved in the tourism trade a very Merry Christmas and a Prosperous New Year!

We have been
BEE verified & Rated

The Point Hotel is pleased to announce that we have achieved **Level Three Contributor** status as a result of an independent and impartial verification of our BBBEE status.

The Point Hotel scored accordingly in terms of Employment Equity, Skills Development, Preferential Procurement and Socio-Economic Development - all extremely important factors for a community based town such as Mossel Bay. We are proud of our achievement and look forward to improving our rating each year.

Blue Flag Status

Mossel Bay is proud to announce that for the second year running, Santos as well as Hartenbos Beaches has been awarded Blue Flag status.

The Blue Flag is awarded annually to beaches in more than 42 countries and with nearly 4000 beaches around the world having achieved this status, it is a brand that has become instantly recognizable to most international travelers.

Spreading Christmas Cheer...

Teneil Claassen (Front Desk Manager for The Point Hotel), together with Janine, Anneline and Annelize of Moreson once again organized a fantastic Christmas day for the children of Moreson Orphanage.

The party held on 3rd December was attended by 100 orphans and the kids were treated to Father Christmas, courtesy of Netcare Ambulance Services, and presents donated from the staff of various businesses, including **The Point Hotel**, were handed out.

The children all voted for their favorite meal - and 100 cheeseburgers and chips were freshly cooked up for them. Nico Harmse and Nicky Stears entertained the children. Other Christmas helpers included Alex Louw (Point Hotel Reception), Andrew Hustler, Cindy Budd and Duran Claassen.
