## Explore Endless Horizons...

### Mossel Bay - Fun for the whole Family!

Located in the heart of the Garden Route, Mossel Bay is halfway between Port Elizabeth and Cape Town and perfectly situated for exploring the Garden Route and Klein Karoo. With Mossel Bay offering at least 300 days of perfect weather a year you won't have your kids asking "what can we do?!" with the awesome range of activities available it will be more like "when can we come back?"

One of the largest towns within the Garden Route, Mossel Bay has everything you need to enjoy the great South African outdoors. A beautiful bay, stunning beaches for swimming and walking, amazing wild animals and breathtaking scenery.

What are your activity options? Well choose from golf, whale watching (boat based and shore), shark cage diving, game viewing at three different game farms, a predator park, birding, quad biking,

parachuting, horse riding, hiking, scuba diving, swimming, deep sea fishing, cycling, museums, shopping, arts and crafts, health and beauty spas or stretch out on a beach and think about what you could be doing?!

And that's just during the day, for nighttime entertainment, hit the Garden Route Casino or visit our many fabulous restaurants and bars. The Point area alone has seven diverse restaurants to choose from - all with stunning sea views!

And that's just in and around Mossel Bay - you then need to go over the mountains to Oudtshoorn and discover a world of ostriches, awesome caves, crocodiles and wild cats, art galleries and fabulous restaurants. Travel back via George over the beautiful Montagu pass and experience the wondrous scenery on offer.

Travel along the coast to Wilderness, Sedgefield and Knysna - and enjoy the Garden Route National Park which surrounds these towns with incredible fynbos, forests, beaches, lakes and lagoons.

Mossel Bay is so centrally situated that it becomes the perfect base from which to explore this area and The Point Hotel encourages a minimum stay of two nights for our guests to enjoy all of the activities available and to get in some rest at the same time?

With our excellent service, stunning location and friendly hospitality we will keep you coming back to us again and again. [www.visitmosselbay.co.za](http://www.visitmosselbay.co.za) for further details on activities in and around Mossel Bay.

The Shark Lab offers personal tours of its facilities, lectures, shark dissections and a colouring corner where kids can learn about the ocean while watching documentaries featuring the Oceans Research Team.
